

Ellowyn & Wilde

FALL 2009

If only I had the energy...

Ellowyne Wilde

Notes from the Couch

My therapist, Dr. Bantam, says I suffer from chronic ennui, with just a touch of melancholy – but I guess I'm just too tired to figure it all out. I'm supposed to write down my thoughts and feelings – you know, to help me through my ennui, but really...some days I wonder if it helps at all.

Dr. Bantam's not quite sure if shopping is good for me or not, but I think it's just fine. San Francisco is full of so many unique thrift shops...and my favorite is the one I found by that funny garlic restaurant. Anyway, you have to check out the new wigs I found – they're so fun and make me feel like an entirely different person – is that even good? Well, I'm not sure, but you can check out my new looks on page 15.

I guess that's all I have to say for now. I actually like writing to my friends...but writing in my journal, well...(sigh)

Love, Ellowyne

En-nui (on-we) – A feeling of weariness and dissatisfaction.

Dr. Bantam would like to know why dark clouds follow wherever I go

I walk the path in silence
hoping for a clue
Of where I may be going,
and then a fork ensues
;A SOLITARY SOJOURN
I hope it's not my call
This way or that way, doe,
it even matter at all?

Boredom is my greatest foe, I wallow in a well of woe

A dark cloud lingers over me

COLLECTORS COMMENTS

We receive many fun and interesting comments from collectors around the world, about both Ellowyne Wilde and Evangeline Ghastly - and we'd like to share some of them with you!

"I received the first five of the six dolls I ordered yesterday. They are absolutely beautiful and look far better in person than the photographs. Thank you for a doll that's so totally different from anything else out there and so totally playable!"
- Cathy, Wylie, TX

"I have to say every time I receive an Ellowyne I am amazed at the quality of the doll and the wonderful detail of the clothing. I always joke that she dresses better than I do." - Beth, Columbus, OH

"I LOVE HER! I LOVE HER! I LOVE HER! I LOVER HER! Thank you so much and you shipped so fast! Did I mention I just love her?" - Lori, Westminster, CO

"I could hardly believe my eyes when I saw that Evangeline is now available in vinyl! Imagine how delighted I am at being able to afford one now. I have pined over my catalog wishing to have a "Vange." My dreams have come true, so thank you! I'm sure I'm not the only one expressing delight over her." - Kim, New Zealand

Evangeline Ghastly
She's a whole other story...

Born: April 24, 1924

Place of Birth: Ipswich, England
(to the attic of Barkley Manor)

The weather on the night of Evangeline's birth was as expected. The wind was howling, the moon was full, and the doctor was unavailable.

And so begins the story of Evangeline Ghastly. Where most call her unfortunate; she thinks of herself as misunderstood. Beginning with a mysterious diary entry, a pet skunk named Mouette, and fashions straight out of a Victorian novel, Evangeline is definitely... *a whole other story!*

Created by designer Joe Petrollese and sculpted by renowned fashion doll artist Robert Tonner, Evangeline is crafted entirely of the finest pale luminescent resin, and now in the highest-quality vinyl, too.

Completely ball-jointed, she comes complete with hand-painted features and a designer wardrobe befitting any mortician's assistant.

Evangeline comes to you straight from the attic of Barkley Manor in Ipswich, England, across from the local cemetery, prepared to share her quirky tales, unique fashion sense, and mysterious life in one of the oldest towns in England.
