

CHICAGO

Everyone loves a legend, but in *Chicago*, there's only room for one! Based on the 1975 Broadway musical, *Chicago*, which has enjoyed a 1990's Tony-award winning revival, is the story of chorus girl Roxie Hart and her infamous cell partner, Velma Kelly. Through the magic of Miramax Films, the Award-winning film comes to life through the hands of celebrated doll artist and designer, Robert Tonner. Roxie and Velma, 16" tall, are of the highest quality vinyl/hard plastic. Great care has been taken to produce each exacting detail from the hit film's spectacular fantasies of music and dance. Each doll includes articulated movement at the waist and hip, with side-to-side shoulder movement, bending arms and legs, and a rotational neck joint for the most amazing dance poses. High quality saran is used in the rooted hair, and each doll has hand-detailed painted eyes. Couple your favorite character with extraordinary reproductions of the film's dazzling costumes, including the best fabrics, precise details, and hand-beaded accents.

Robert Tonner, known throughout the world for his award winning dolls and fashions, began his career as a head designer for Bill Blass after graduating from the Parsons School of Design. In recent years, he has combined his fashion experience with sculpting and design talents to produce the unique and appealing dolls that have established him as a leading doll artist. Through his designs, the Tonner Doll Company recaptures the magic of classic characters such as Orphan Annie, Betsy McCall, Superman and Lois Lane, April from the Lynn Johnston's Beloved comic strip, *For Better Or For Worse*, Mary Engelbreit's Ann Estelle, and many Disney favorites. Robert is a past president of the National Institute of American Doll Artists (NIADA) and his dolls have been featured in national and international media, including *People Magazine*, CNN, *Newsweek*, the Barbara Walters Oscar Night Special, *Entertainment Tonight*, and *British Tatler* and *Vogue* Magazines. A recent and very special honor was to have his creations added to the permanent collections at the Louvre Museum of Decorative Arts in Paris, France. Robert has proven to be a master of porcelain, vinyl, hard plastic in each of his dolls being made to exacting specifications. Their clothes feature specially designed fabrics that are selected and lovingly fashioned to enhance the dolls' beauty. They are meant to be enjoyed and treasured by discerning collectors and doll lovers...and those who believe in the power of play.
