Dear Friends,

It's time to unveil a new collection and this has become one of my favorite things about being a doll-maker. The enveloping excitement that follows from our collectors is also very stimulating. With this said, I would like to present the Tonner Doll Mid-Year Collection for 2003. You will see some familiar faces, some new friends, and some entirely new concepts. At Tonner Doll, our goal is to continue the innovation that leads to new ideas, projects and characters that add variety to your collection. Thank you for providing the inspiration and feedback that is so essential in this industry...and thank you for your continued support of the Tonner Doll Company. Without you we are sightless, and because of you, we at the Tonner Doll Company "believe in the power of play."
